## FEATURED AIRLINE: AIR ALGÉRIE

With a robust route network spanning multiple continents, Air Algérie's base at the Houari Boumediene International Airport in the capital city of Algiers is a convenient gateway into North Africa. Algeria, rich in oil and natural gas, is the second largest country in Africa and also the biggest in the Mediterranean region.

Air Algérie's network includes 33 domestic and around 40 international routes that connect to major hubs in Europe, Asia and Africa. Members of Air Algérie Plus, the carrier's loyalty program, also earn miles for every flight. Air Algérie is committed to making air transport safe, reliable, and affordable. In 2018, the airline carried an impressive 6.5 million passengers on flights across its network, registering growth in the following year.
